青年創新企業家協會副主席楊炳昭指出：「政府早前宣布現行社交距離措施延長14天，適用於餐飲業務和表列處所的規定和限制，包括體育處所。政府亦宣布維持群組聚集和佩戴口罩的要求。我認為現時措施對於『體育處所』其實過緊。對於一些高強度訓練者及教練而言，4人的訓練小組或課堂要求他們全程佩戴口罩訓練實在是十分難受的，也有機會因為空氣侷促而造成休克，我建議可放寬至8人或以上的課堂才需要一些較嚴格的規定和限制。」

Vice Chairman of Young Innovative Entrepreneurs Association, Benjamin Yeung observed, “The Government announced earlier to further extend all social distancing measures, applicable to the catering business and scheduled premises including sports premises. The government also extended the requirements for group gatherings and mask wearing. I consider the current measures for ‘sports premises’ too tight. For some high-intensity trainers and coaches, a 4-person training group or class requiring everyone to wear a mask throughout the training is really unbearable, and there is also the chance of suffocation. I suggest relaxing these strict rules and restrictions to cover only classes of 8 people or more.”
