民生大聯盟發言人章彤輝博士指出，「許多絕望的旅遊業人士認為，現階段唯一的掙扎便是搞好『本地遊』這個吊鹽水工程。他們對廣州和深圳有病例並不恐慌，因為當地有相當高效率的管控措施，反而對香港政府未能做好疫苗接種頗感失望，他們呼籲政府進一步加大疫苗接種覆蓋，否則今年免隔離通關無望，業界倒閉有期。」

Dr Tung-fai Cheung, Spokesman of Alliance of Revitalizing Economy and Livelihood, observed, “To many hopeless members of the tourism industry, self-help local tours have become their final struggle. They are not too worried about recent outbreaks in Guangzhou and Shenzhen because the mainland government has been quite efficient and experienced in dealing with the situation. However, they are rather disappointed at Hong Kong government’s failure in organizing the vaccination campaign. They urge our government to step up the coverage of vaccination, otherwise we would not see any quarantine exemption for cross boundary activity this year, but only the doomsday of the tourism trade.”
