香港教育中心商會副主席任偉豪指出：「消費券於昨天開始發放，在新聞畫面中所看到的，較多是有關零售和飲食業的消息。雖然零售業的反應感覺上比較好，但實際效用仍需觀察一段時間才能證實。但無論如何，有些行業即使有消費券也沒有多大作用，例如私營教育中心業界和藝術文化相關行業，他們幾乎得不到消費券的任何好處，我希望政府能再多想辦法幫助這些被消費券計劃冷落的行業。」

Vice Chairman of The Hong Kong Chamber of Education Centres Yam Wai Ho observed, “The consumption vouchers are being despatched starting yesterday. What we see on the news screen is mainly related to the retail and catering industries. Although the response of the retail industry seems relatively better, the actual effect needs further observations. In any case, some industries are not helped by the consumer vouchers, such as the private education center industry and the art and culture-related industries, which hardly get any benefit from the consumption vouchers. I hope the government can find more ways to help these industries which are left out of the consumption voucher scheme.”
