獨立評論人潘麒智指出：「政府恢復『回港易』配額安排，豁免廣東省以外的其他內地省市及澳門的香港居民返港檢疫安排，是好的開始。期望政府方便之門，亦能盡快為本地業界打開，及進一步放寬限聚措施，為香港人解鎖。接納『與新冠病毒共存』，是香港唯一的出路，港府應盡快訂立策略，不要再慢十拍。」

Independent commentator KC Poon observed, “It is a good start for the government to resume quarantine exemption for persons returning either from Macau or Mainland areas other than Guangdong Province under Return2hk Scheme. I hope the government will soon lift the barrier for the local industries, and also relax the restrictions on gathering for Hong Kong people. The only way out for Hong Kong is to accept ‘coexistence with the virus’. The government should formulate a strategy immediately without delay.”
