香港教育中心商會副主席任偉豪指出：「在港府的角度而言，雖已與中央協商通關多時，直至現在還未明朗，這可能會令市民失去港府與中央政府協作能力的信心。特別是上星期特首發表的施政報告中涉及大量大灣區規劃，會令人懷疑施政報告中的大計是否真的能夠實現。不過另一方面，我認為先讓香港觀察一下澳門先行通關的情況也是好事。」

Vice Chairman of The Hong Kong Chamber of Education Centres Yam Wai Ho observed, “From the perspective of the Hong Kong Government, the traveller clearance has been negotiated with the Central Government for a long time, and it has not been as clear until now. This may cause the public to lose confidence in the ability of the Hong Kong Government to cooperate with the Central Government. In particular, the policy address released by the Chief Executive last week involved many plans for the Greater Bay Area, which will make people doubt whether the big plans in the policy address can really be realized. But on the other hand, I think it is also good to let Hong Kong observe the situation of Macau’s traveller clearance first.”
